

Temple Beth El Clothing Drive

Sunday, April 26th

10 am – 2 pm

Sisterhood will be holding a clothing drive!

People still need affordable used clothes & soft household goods.

And our temple still needs funds!

We are hopeful everyone has been saving up their
no longer needed goods!

Clean out all your closets & dressers! Place your unwanted items in **tightly tied plastic bags** and give them a second chance to be worn or used again. ***Please make sure the bags are manageable.*** Every bag counts! The more we collect, the more money our temple gets and the more people who benefit. Bring your clothes, shoes, accessories, backpacks, and soft household items (sheets, towels) to the temple and load them directly into the designated cars.

Please do not bring your bags to the temple prior to Sun. April. 26th. Bags will only be accepted on that day during designated the timeframe. Thank you in advance for your cooperation.

(Please no pillows, curtains, toys, stuffed animals, heavy items, household appliances etc..)
